## 120.60 Licensing.

(1) Upon receipt of an application for a license, an agency shall examine the application and, within 30 days after such receipt, notify the applicant of any apparent errors or omissions and request any additional information the agency is permitted by law to require. An agency shall not deny a license for failure to correct an error or omission or to supply additional information unless the agency timely notified the applicant within this 30-day period. An application shall be considered complete upon receipt of all requested information and correction of any error or omission for which the applicant was timely notified or when the time for such notification has expired. Every application for a license shall be approved or denied within 90 days after receipt of a completed application unless a shorter period of time for agency action is provided by law. The 90-day time period shall be tolled by the initiation of a proceeding under ss. 120.569 and 120.57. An application for a license must be approved or denied within the 90-day or shorter time period, within 15 days after the conclusion of a public hearing held on the application, or within 45 days after a recommended order is submitted to the agency and the parties, whichever is later. The agency must approve any application for a license or for an examination required for licensure if the agency has not approved or denied the application within the time periods prescribed by this subsection.

## 373.4141 Permits; processing.

(1) Within 30 days after receipt of an application for a permit under this part, the department or the water management district shall review the application and shall request submittal of all additional information the department or the water management district is permitted by law to require. If the applicant believes any request for additional information is not authorized by law or rule, the applicant may request a hearing pursuant to s. 120.57. Within 30 days after receipt of such additional information, the department or water management district shall review it and may request only that information needed to clarify such additional information or to answer new questions raised by or directly related to such additional information. If the applicant believes the request of the department or water management district for such additional information is not authorized by law or rule, the department or water management district, at the applicant's request, shall proceed to process the permit application.

(2) A permit shall be approved or denied within 90 days after receipt of the original application, the last item of timely requested additional material, or the applicant's written request to begin processing the permit application.
